Lumencor:

A group of people coming together to make a difference in the lives of others helps to make our community stronger. Thank you to everyone at Lumencor for using your hands and hearts to show kids that you care about them and that they belong. You purchased the food to fill 300 food sacks and created such fun and positive love notes to tuck into each one.

Thanks to groups like yours, Portland Backpack can put 1000 meal sacks into the hands of the kids who need food the most each weekend. This school year we have provided over 24,000 food sacks to kids, and we're on track to serve even more next year.

Although solving food insecurity lies at our core, Portland Backpack is about more than food. Children are the most resilient when they know they are valued by their community. Each hand-packed food sack shows the kids in our community that you care.

Thank you for providing a weekend free of worry about food for so many of our community kids!
